

Homework for April 8th-12th

Homework books and folders will be sent home **on Mondays and homework is due on Friday**. Spelling practice should be completed in the Homework Notebook

- Math word problems should be completed in the Homework Notebook
- 2 quick Mathletics assignments due with other homework
- **RAZ-Kids** and Home Reading (nightly)
- Weekly Character Education bags with activities (due Thursdays)

Parents need to be actively involved in their child's homework. Provide guidance as necessary, mark the work to ensure that it is completed accurately, and have your child do corrections.

Home Reading

It is very important for students to read for **15-20 minutes each night**. They can read books (at their level) from:

- **RAZ-Kids – Students should be using this resource at least 3 times a week**
- home
- school library
- public library
- poems sent home in Poetry folder
- Home Reading books
- Tumblebooks

*****More Importantly:**

Be sure to model reading yourself. Read to your child. Talk about the story.

Spelling Words:

When writing out the spelling words, ensure your child is printing with proper letter formation.

We have provided three options for the spelling portion of the homework.

Option One – Write all of the words (excluding the challenge words) three times each in your homework book. Write one single sentence for ONE word using a capital and a period. For example: **I have a fish.**

Option Two – Write all of the regular words (excluding the challenge words) three times each in your homework book. Write one sentence per regular word (excluding the challenge words) in a sentence using a capital and a period. For example: **I have one gold fish.**

Option Three – Write all of the regular and challenge words three times each in your homework book. Write one sentence for each word. Try to add a detail or a descriptive word to your sentence. For example: **I have a gold fish that I feed every day.**

Weekly Words:	Challenge Words:
after	flowers
am	Spring
play	rain
ride	
where	

Grapheme Sounds

Use the video, Graphemes with Gestures, to practice your grapheme sounds.

Math:

MATHLETICS – Your child should not complete any other assignments other than those assigned each week. For additional challenge or review, your child can click on *Play* or *Review*.

This week's Mathletics assignments:

Topic- Measuring

1. Which Hold's more?
2. Filling fast

Steps:

1. Go to: <https://community.mathletics.com/signin/#/student>
2. Enter your child's username and password. Click "Let me in!"
3. Click on **Learn**, then the **topic** and finally the **assignment**.

Word Problem:

Tad put 6 ladybugs in his bug jar. Tad's sister Amara put 7 more ladybugs in Tad's jar. How many ladybugs does Tad have in all?

Tad's friend Dave wanted to look at the ladybugs and took off the lid. A few got out. How many ladybugs could be left now?
