

Homework for May 6 - 10

Many of my students are finishing the homework early, so feel free to send in the blue work books as soon as the homework is done. **Otherwise, Homework and Home Reading books are due every Friday.**

For this week, your child's homework is:

- Raz-Kids and Home Reading (nightly for at least 15 minutes)
- Spelling words
- Sentence(s) using the spelling words
- 2 quick Mathletics assignments on Measurement as review
- Addition and Subtraction math facts worksheet
- Weekly Character Education bags with activities (return as soon as they are completed)

Parents need to be actively involved in their child's homework. Provide guidance as necessary, mark the work to ensure that it is completed accurately, and have your child do corrections.

Spelling Words:

We have provided three options for the spelling portion of the homework.

Option One – Write all of the words (excluding the challenge words) three times each in your homework book. Write one single sentence for ONE word using a capital and a period. For example: **I have a fish.**

Option Two – Write all of the regular words (excluding the challenge words) three times each in your homework book. Write one sentence per regular word (excluding the challenge words) in a sentence using a capital and a period. For example: **I have one gold fish.**

Option Three – Write all of the regular and challenge words three times each in your homework book. Write one sentence for each word. Try to add a detail or a descriptive word to your sentence. For example: **I have a gold fish that I feed every day.**

Weekly Words:	Challenge Words with a long O:

Math:

1. Mathletics: We have reassigned some Measurement tasks on Mathletics for review. Please REDO the following assigned tasks:

- a) Everyday Length
- b) Compare Length

2. Math Facts: Solve the **mixed** addition and subtraction facts below. Parents, check your child's work and have them correct any errors. You can either print the worksheet and return it in the green folder OR copy the equations into the homework book and solve them there.
